Board of Selectmen

Northfield, New Hampshire

The past year has seen a large increase in the population of the town as the result of both one and multi-family housing. The Planning Board has been busy working very hard in updating our Master Plan and Zoning Ordinance so this growth will not have too severe an effect on our tax rate and our town.

The Sargent Street Bridge has been completed which makes it better for residents using Sargent Street as well as insuring better fire protection to the residents of that area of the town. Also, the apartments on Scribner Road will add considerable traffic over this bridge.

Road Agent, Albert Cross, has attended several meetings relative to the Concord Solid Waste Disposal District. This incineration project is planned to be opened in 1988 and will alleviate some of the problems associated with disposing of our refuse.

The Board is continuing in its efforts to close the stump dump, located behind the Town Shed, as ordered by the State of New Hampshire. We have received tentative approval to move the site to the Carr Pit located on Sargent Street.

Our Old Home Day attracted the largest turnout to date and those who attended stayed throughout the entire day. This was due to an outstanding job of planning by the Old Home Day Committee and its chairman, Mike Summersett.

With the cooperation of the department heads the Board has managed to save money through instituting various cost-reducing measures and as a result the 1985 budget shows a surplus of \$104,851.00.

For the first time in several years, as of December 31st., there are no law suits pending against the town.

The Board wishes to express its sincere thanks to all the elected officials, town employees, committees, volunteers and residents who have helped greatly during 1985.

Auditor's Report Transmittal and Commentary Letter

March 22, 1985

To the Members of
the Board of Selectmen
Town of Northfield
Northfield, New Hampshire

We have examined the combined financial statements and the combining fund and account group financial statements of the Town of Northfield, New Hampshire as of and for the year ended December 31, 1984, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, the combined financial statements and the combining fund financial statements and the account group financial statements referred to above present fairly the financial position of the Town of Northfield, New Hampshire, at December 31, 1984, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Town of Northfield, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined, combining fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

**Northfield Planning Board
Northfield, NH**

The Northfield Planning Board meets the third Monday of every month at 7:30 P.M. in the town hall. The board consists of seven regular members including the chairman, secretary and selectman representative, plus two alternate members. After the resignation of Diane Knaefler as secretary, Chairman Greenburg requested the appointment of Terry Steady as an ex-official member of the Planning Board as recording secretary.

Members of the board attended the 1985 Municipal Law Lecture Series in Meredith. The information gained at these meetings is important to keep abreast of changes in the RSA's affecting land use boards and knowing how the courts interpret and rule on land use issues.

In 1985 twenty-one lots were subdivided and also 25 condominium units were approved at the Highland Ski Area. One lot line change was approved. In August a permit was granted for excavation under the authority of RSA 155E:3.

With increased growth in town the Planning Board reviewed the present town zoning ordinance and recommended six amendments to the ordinance. These changes will be voted upon in March 1986, after the required public hearings.

Another issue that was discussed numerous times this year is the Planning Board's authority to review and approve: mobile home parks; light industry; and, apartment complexes. With the possible influx of these in the future the Planning Board is seeking site plan review authority at the 1986 town meeting.

It was a busy year for the Planning Board and 1986 leaves us with a large task to undertake; to control and regulate growth in town to protect our small-town environment, but also allow for the growth that towns north of Concord with good access to I-93 are experiencing in a reasonably sound manner.

Respectfully submitted,
Mark H. Greenberg
Chairman

Hall Memorial Library
Public Library for Tilton and Northfield
1985 Annual Report

The library continued to welcome the public of Tilton and Northfield 48 hours a week during the school year and 26 hours a week during the summer. We have built up the reference department, continued programs such as the free films for children on Wednesdays throughout the year, and the morning story hour for preschoolers, scheduled to suit interested parents. Friends of the Library put on the annual Book Sale on June 27, 28, and 29. To celebrate Old Home Day, a table of selected books was displayed at the Northfield Pines. Displays in the library included art work by some students of the Union Sanborn School in January while storybooks created by Mrs. Sheehan's talented second-graders were on exhibit in June. A display of bi-centennial plates, flasks and other memorabilia, with an assortment of books by and about New Hampshire authors was on display in March and students of Kate Snow's 7th and 8th grade home arts class showed their handiwork in November. The theme of the 1985 Summer Reading Program was "The Growing Tree" and culminated in a party on August 28. Over twenty-four enthusiastic readers read and reported on library books to add leaves to the tree.

Much appreciation is due to the Women's Club for the lovely bookcase they gave the library, for storing their yearbooks and other records. Tilton School seniors Lee Merriweather and Roberto Sempe volunteered their help at the library for a time, for which thanks are due. A Christmas wreath from the T-N Garden Club via Clara Hardy still adorns our front door, and we were grateful for the beautiful, full Christmas tree donated by David Cheever from his Bean Hill lot.

Mary Cummings gave money to build the town's library in 1885, but the library was open to the public for the first time in 1887. We look forward to a celebration of the centennial year of the Hall Memorial Library

Tilton-Northfield District Nursing Association

The Tilton-Northfield Nursing Association has gone through many changes this year. We have changed the location of the nurse's office to a first floor office at 192 Main Street. This will be more accessible for people. We have installed a telephone answering system to make it more convenient to leave messages when the nurse is not in the office.

We are also in the process of beginning our own Well-Child Clinics for Tilton and Northfield residents to be held every two months. We have been very pleased with the response for help to set up these clinics. The T—N Rotary Club, T—N Women's Club, the Garden Club and the Lady's Circle have made contributions for equipment. Fr. Harvey has offered space in the Fr. Bouton Religious Center, and doctors in the Tilton area have offered their services to these clinics. Also, many people have offered their time to participate in helping at these clinics. We can all be very proud of the citizens of Tilton and Northfield with so many people willing to step forward to lend a helping hand. It truly makes this a better place to live, and we extend a special thank you to all who are involved.

On-going services available to residents of Tilton and Northfield include nursing care, home health aide, home maker services, physical therapy, and speech therapy. We also offer periodic blood pressure clinics in both towns. We have been very fortunate to have the well qualified services of Cindy Zachelli to fill in for Deanna during this year.

Youth Assistance Program of Northfield, Sanbornton, and Tilton, Inc. 1985 Town Report

We are a court diversion program designed to keep first time young offenders out of the courts and away from further trouble with the law. Working closely with the police and other agencies, we are also a prevention program available to youths, parents and others who need support, information and help with problems that young people and their families may face. Volunteers from the communities serve on the Board of Directors, in the court diversion process (Juvenile Review Board), People Program (Big Brother/Big Sister) and assist in various other activities.

This year we have spent time in the schools, meeting with youths and talking with classes. This effort has been a great benefit to us and we are grateful for the warmth and cooperation received from the teachers, guidance departments and administrators.

Contact was made with elementary students in Sanbornton to help prepare them for some of the experiences and challenges ahead. The use of the meeting room over the Sanbornton Library and the generous help of the librarians, Barbara Powers and Priscilla Bodwell, was greatly appreciated.

Our informational, after school programs for teens and activities for fun and fellowship have continued this year. We are glad to welcome more young people and parents who stop in for help or a chat with us.

Martha Douglass is the Director and Dawn Bartron was hired as the Assistant Director in September. Together we wish to offer our thanks to our loyal volunteers and friends who have given time and encouragement for this vital program.

Respectfully submitted,

Martha Douglass, Director

**Tilton-Northfield Fire District
Report of Audit**

I have examined the 1985 records of the Tilton-Northfield Fire District including the Treasurer's journal, payroll records, money market account, canceled checks, bank statements, invoices and related items. Examination of the records was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as considered necessary in the circumstances.

In my opinion the records reflect accurately the financial operations of the District for the year.
